

INTERGOVERNMENTAL AGREEMENT

THIS INTERGOVERNMENTAL AGREEMENT ("IGA"), made and entered into this 10 day of August, 2012, by and between the CHRISTIAN COUNTY, MISSOURI, a second class county of the State of Missouri, acting by and through its County Commission (hereinafter referred to as "County") and the CITY OF CLEVER, a municipal corporation of the State of Missouri (hereinafter referred to as "City"), for the purpose of promoting the improvement and maintenance of the County's network of roads.

WITNESSETH:

WHEREAS, Article VI, Section 16 of the Missouri Constitution and Missouri Revised Statute Section 70.220, authorize any municipality, special road district, or county to contract and cooperate with other political subdivisions of this state for the planning, development, construction, acquisition or operation of any public improvement or facility or common service and this IGA represents an excellent opportunity for the County and the City to work cooperatively for the common good of improving the network of roads in Christian County to facilitate economic activity, public safety, emergency response and the quality of life of their citizens; and

WHEREAS, it would be to the benefit of cities and special road districts in Christian County for the County to distribute a portion of the County's general revenue sales taxes and the countywide sales tax earmarked for road and bridge improvements and maintenance in accordance with the funding formula set forth in the County Commission's Order of June 25, 2012; and

WHEREAS, the City has agreed that it will utilize the sales tax revenues distributed to it by the County for the exclusive purpose of constructing and maintaining those roads and bridges within its jurisdiction.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein set forth, the County and the City agree as follows:

1. The County agrees to distribute to the City, on a monthly basis, a portion of the countywide general sales tax adopted in 1996 and the countywide sales tax earmarked for road and bridge improvements, maintenance, and operations adopted in 1997 that the County receives, in accordance with the percentage attributable to said City as described in the County Commission's Order dated June 25, 2012, a copy of which is attached hereto as **Exhibit A** and incorporated herein.
2. **Term.** This Agreement shall commence on the date of execution by authorized officials for the County and the City and will continue in effect until the County Commission establishes its 2013 budget in January of 2013.

3. **Use of County Revenue.** The City agrees to expend all sales tax revenues received from the County pursuant to this Agreement exclusively for the costs of labor and materials expended on the construction or maintenance of roads and/or bridges in the City's jurisdiction.

4. **Indemnification.** To the extent allowed or imposed by law, the City shall defend, indemnify and hold harmless the County, including its elected officials and employees from and any claim, liabilities, damages, causes of action, judgments, costs and expenses, whether based on claim for damages to real or personal property or to a person for any matter relating to or arising out of the City's wrongful or negligence performance of its obligations under this Agreement.

In no event shall the language of this Agreement constitute or be construed as a waiver or limitation of either party's rights or defenses with regard to each party's applicable sovereign, governmental or official immunities and protections as provided by federal and states constitutional law.

5. **General Independent Contractor Clause.** The County and the City who are parties to this Agreement are each separate and independent political subdivisions of the state and, as such, the County and the City each retain their own identity and each is responsible for its own policies and activities. This Agreement shall not be construed as creating a joint venture between the County or the City.

6. **Accounting and Access to Records.** The City shall provide written documentation to the County identifying the specific roads or bridges county sales taxes received pursuant to this Agreement were expended upon and shall maintain all records relating to the receipts and expenditures of County sales taxes by the City pursuant to this Agreement, including, but not limited to, invoices, receipts, payrolls, bank statements, contract documentation and other records, sufficient to verify the County sales tax proceeds were expended by the City exclusively for road and bridge improvements, maintenance, or operations within the City's jurisdiction. The road and/or bridge project descriptions and accounting records shall be supplied to the County Auditor, at no charge, on a quarterly basis during the period of this Agreement. The first report shall be due October 1, 2012. The City shall also provide the County Auditor any other financial records or documentation as she deems necessary to verify that the funds disbursed by the County to the City have been spent exclusively for road and bridge improvements or maintenance.

7. **Miscellaneous.**

a. The City agrees to pass such ordinances as may be necessary to implement the terms and conditions of this IGA.

b. This Agreement sets forth the entire agreement between the parties and fully supersedes any and all prior and/or other contemporaneous

agreements or understandings between the parties which pertain to the subject matter hereof.

- c. This Agreement may only be modified by a written instrument executed by the parties hereto.
 - d. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document.
8. **Notices.** All notices, demands, and approvals required under this Agreement may be personally delivered or sent by certified mail, postage prepaid, return receipt requested, addressed to the individuals identified in the heading of this IGA, or to their successors, at the addresses listed below:

INTERGOVERNMENTAL AGREEMENT

24 THIS INTERGOVERNMENTAL AGREEMENT ("IGA"), made and entered into this day of August, 2012, by and between the CHRISTIAN COUNTY, MISSOURI, a second class county of the State of Missouri, acting by and through its County Commission (hereinafter referred to as "County") and the CITY OF BILLINGS, a municipal corporation of the State of Missouri (hereinafter referred to as "City"), for the purpose of promoting the improvement and maintenance of the County's network of roads.

WITNESSETH:

WHEREAS, Article VI, Section 16 of the Missouri Constitution and Missouri Revised Statute Section 70.220, authorize any municipality, special road district, or county to contract and cooperate with other political subdivisions of this state for the planning, development, construction, acquisition or operation of any public improvement or facility or common service and this IGA represents an excellent opportunity for the County and the City to work cooperatively for the common good of improving the network of roads in Christian County to facilitate economic activity, public safety, emergency response and the quality of life of their citizens; and

WHEREAS, it would be to the benefit of cities and special road districts in Christian County for the County to distribute a portion of the County's general revenue sales taxes and the countywide sales tax earmarked for road and bridge improvements and maintenance in accordance with the funding formula set forth in the County Commission's Order of June 25, 2012; and

WHEREAS, the City has agreed that it will utilize the sales tax revenues distributed to it by the County for the exclusive purpose of constructing and maintaining those roads and bridges within its jurisdiction.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein set forth, the County and the City agree as follows:

1. The County agrees to distribute to the City, on a monthly basis, a portion of the countywide general sales tax adopted in 1996 and the countywide sales tax earmarked for road and bridge improvements, maintenance, and operations adopted in 1997 that the County receives, in accordance with the percentage attributable to said City as described in the County Commission's Order dated June 25, 2012, a copy of which is attached hereto as **Exhibit A** and incorporated herein.
2. **Term.** This Agreement shall commence on the date of execution by authorized officials for the County and the City and will continue in effect until the County Commission establishes its 2013 budget in January of 2013.

3. **Use of County Revenue.** The City agrees to expend all sales tax revenues received from the County pursuant to this Agreement exclusively for the costs of labor and materials expended on the construction or maintenance of roads and/or bridges in the City's jurisdiction.
4. **Indemnification.** To the extent allowed or imposed by law, the City shall defend, indemnify and hold harmless the County, including its elected officials and employees from and any claim, liabilities, damages, causes of action, judgments, costs and expenses, whether based on claim for damages to real or personal property or to a person for any matter relating to or arising out of the City's wrongful or negligence performance of its obligations under this Agreement.

In no event shall the language of this Agreement constitute or be construed as a waiver or limitation of either party's rights or defenses with regard to each party's applicable sovereign, governmental or official immunities and protections as provided by federal and states constitutional law.

5. **General Independent Contractor Clause.** The County and the City who are parties to this Agreement are each separate and independent political subdivisions of the state and, as such, the County and the City each retain their own identity and each is responsible for its own policies and activities. This Agreement shall not be construed as creating a joint venture between the County or the City.
6. **Accounting and Access to Records.** The City shall provide written documentation to the County identifying the specific roads or bridges county sales taxes received pursuant to this Agreement were expended upon and shall maintain all records relating to the receipts and expenditures of County sales taxes by the City pursuant to this Agreement, including, but not limited to, invoices, receipts, payrolls, bank statements, contract documentation and other records, sufficient to verify the County sales tax proceeds were expended by the City exclusively for road and bridge improvements, maintenance, or operations within the City's jurisdiction. The road and/or bridge project descriptions and accounting records shall be supplied to the County Auditor, at no charge, on a quarterly basis during the period of this Agreement. The first report shall be due October 1, 2012. The City shall also provide the County Auditor any other financial records or documentation as she deems necessary to verify that the funds disbursed by the County to the City have been spent exclusively for road and bridge improvements or maintenance.
7. **Miscellaneous.**

INTERGOVERNMENTAL AGREEMENT

13th THIS INTERGOVERNMENTAL AGREEMENT ("IGA"), made and entered into this day of July, 2012, by and between the CHRISTIAN COUNTY, MISSOURI, a second class county of the State of Missouri, acting by and through its County Commission (hereinafter referred to as "County") and the CITY OF OZARK, a municipal corporation of the State of Missouri (hereinafter referred to as "City"), for the purpose of promoting the improvement and maintenance of the County's network of roads.

WITNESSETH:

WHEREAS, Article VI, Section 16 of the Missouri Constitution and Missouri Revised Statute Section 70.220, authorize any municipality, special road district, or county to contract and cooperate with other political subdivisions of this state for the planning, development, construction, acquisition or operation of any public improvement or facility or common service and this IGA represents an excellent opportunity for the County and the City to work cooperatively for the common good of improving the network of roads in Christian County to facilitate economic activity, public safety, emergency response and the quality of life of their citizens; and

WHEREAS, it would be to the benefit of cities and special road districts in Christian County for the County to distribute a portion of the County's general revenue sales taxes and the countywide sales tax earmarked for road and bridge improvements and maintenance in accordance with the funding formula set forth in the County Commission's Order of June 25, 2012; and

WHEREAS, the City has agreed that it will utilize the sales tax revenues distributed to it by the County for the exclusive purpose of constructing and maintaining those roads and bridges within its jurisdiction.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein set forth, the County and the City agree as follows:

1. The County agrees to distribute to the City, on a monthly basis, a portion of the countywide general sales tax adopted in 1996 and the countywide sales tax earmarked for road and bridge improvements, maintenance, and operations adopted in 1997 that the County receives, in accordance with the percentage attributable to said City as described in the County Commission's Order dated June 25, 2012, a copy of which is attached hereto as **Exhibit A** and incorporated herein.
2. **Term.** This Agreement shall commence on the date of execution by authorized officials for the County and the City and will continue in effect until the County Commission establishes its 2013 budget in January of 2013.

3. **Use of County Revenue.** The City agrees to expend all sales tax revenues received from the County pursuant to this Agreement exclusively for the costs of labor and materials expended on the construction or maintenance of roads and/or bridges in the City's jurisdiction.
4. **Indemnification.** To the extent allowed or imposed by law, the City shall defend, indemnify and hold harmless the County, including its elected officials and employees from and any claim, liabilities, damages, causes of action, judgments, costs and expenses, whether based on claim for damages to real or personal property or to a person for any matter relating to or arising out of the City's wrongful or negligence performance of its obligations under this Agreement.

In no event shall the language of this Agreement constitute or be construed as a waiver or limitation of either party's rights or defenses with regard to each party's applicable sovereign, governmental or official immunities and protections as provided by federal and states constitutional law.

5. **General Independent Contractor Clause.** The County and the City who are parties to this Agreement are each separate and independent political subdivisions of the state and, as such, the County and the City each retain their own identity and each is responsible for its own policies and activities. This Agreement shall not be construed as creating a joint venture between the County or the City.
6. **Accounting and Access to Records.** The City shall provide written documentation to the County identifying the specific roads or bridges county sales taxes received pursuant to this Agreement were expended upon and shall maintain all records relating to the receipts and expenditures of County sales taxes by the City pursuant to this Agreement, including, but not limited to, invoices, receipts, payrolls, bank statements, contract documentation and other records, sufficient to verify the County sales tax proceeds were expended by the City exclusively for road and bridge improvements, maintenance, or operations within the City's jurisdiction. The road and/or bridge project descriptions and accounting records shall be supplied to the County Auditor, at no charge, on a quarterly basis during the period of this Agreement. The first report shall be due October 1, 2012. The City shall also provide the County Auditor any other financial records or documentation as she deems necessary to verify that the funds disbursed by the County to the City have been spent exclusively for road and bridge improvements or maintenance.
7. **Miscellaneous.**
 - a. The City agrees to pass such ordinances as may be necessary to implement the terms and conditions of this IGA.
 - b. This Agreement sets forth the entire agreement between the parties and fully supersedes any and all prior and/or other contemporaneous

IN WITNESS WHEREOF, Christian County, Missouri, acting through its County Commission, and the City of Ozark have caused this IGA to be duly executed by their proper officers, duly authorized by their respective Commission or Board, as of the day and year first written above, and hereby further agree that this IGA shall be binding upon the parties hereto, their respective representatives, successors and assigns.

INTERGOVERNMENTAL AGREEMENT

3rd THIS INTERGOVERNMENTAL AGREEMENT ("IGA"), made and entered into this day of August, 2012, by and between the CHRISTIAN COUNTY, MISSOURI, a second class county of the State of Missouri, acting by and through its County Commission (hereinafter referred to as "County") and the OZARK SPECIAL ROAD DISTRICT, a special road district organized pursuant to Missouri Revised Statutes, Section 233.170 (hereinafter referred to as "Special Road District"), for the purpose of the improvement and maintenance of the County's network of roads.

WITNESSETH:

WHEREAS, Article VI, Section 16 of the Missouri Constitution and Missouri Revised Statute Section 70.220, authorize any municipality, special road district, or county to contract and cooperate with other political subdivisions of this state for the planning, development, construction, acquisition or operation of any public improvement or facility or common service and this IGA represents an excellent opportunity for the County and [Special Road District] to work cooperatively for the common good of improving the network of roads in Christian County to facilitate economic activity, public safety, emergency response and the quality of life of their citizens; and

WHEREAS, it would be to the benefit of cities and special road districts in Christian County for the County to distribute a portion of the County's general revenue sales taxes and the countywide sales tax earmarked for road and bridge improvements and maintenance in accordance with the funding formula set forth in the County Commission's Order of June 25, 2012; and

WHEREAS, Special Road District has agreed that it will utilize the sales tax revenues distributed to it by the County for the exclusive purpose of constructing and maintaining those roads and bridges within its jurisdiction.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein set forth, the County and Special Road District agree as follows:

1. The County agrees to distribute to the Special Road District on a monthly basis, a portion of the countywide general sales tax adopted in 1996 and the countywide sales tax earmarked for road and bridge improvements, maintenance, and operations adopted in 1997 that the County receives, in accordance with the percentage attributable to said Special Road District as described in the County Commission's Order dated June 25, 2012, a copy of which is attached hereto as Exhibit A and incorporated herein.
2. Term. This Agreement shall commence on the date of execution by authorized officials for the County and the Special Road District and will continue in effect until the County Commission establishes its 2013 budget in January of 2013.

3. **Use of County Revenue.** The Special Road District agrees to expend all sales tax revenues received from the County pursuant to this Agreement upon all lawful purposes of the Special Road District.
4. **Indemnification.** To the extent allowed or imposed by law, Special Road District shall defend, indemnify and hold harmless the County, including its elected officials and employees from and any claim, liabilities, damages, causes of action, judgments, costs and expenses, whether based on claim for damages to, real or personal property or to a person for any matter relating to or arising out of the Special Road District's wrongful conduct or negligence performance of its obligations under this Agreement.

To the extent allowed or imposed by law, County shall defend, indemnify and hold harmless the Special Road District, including its elected officials and employees from and any claim, liabilities, damages, causes of action, judgments, costs and expenses, whether based on claim for damages to, real or personal property or to a person for any matter relating to or arising out of the County's wrongful conduct or negligence performance of its obligations under this Agreement.

In no event shall the language of this Agreement constitute or be construed as a waiver or limitation of either party's rights or defenses with regard to each party's applicable sovereign, governmental or official immunities and protections as provided by federal and states constitutional law.

5. **General Independent Contractor Clause.** The County and the Special Road District who are parties to this Agreement are each separate and independent political subdivisions of the state and, as such, the County and the Special Road District each retain their own identity and each is responsible for its own policies and activities. This Agreement shall not be construed as creating a joint venture between the County or the Special Road District.
6. **Accounting and Access to Records.** The Special Road District shall provide written documentation to the County identifying the specific roads or bridges county sales taxes received pursuant to this Agreement were expended upon and shall maintain all records relating to the receipts and expenditures of County sales taxes by Special Road District pursuant to this Agreement, including, but not limited to, invoices, receipts, payrolls, bank statements, contract documentation and other records, sufficient to verify the County sales tax proceeds were expended by the Special Road District only for lawful purposes of the Special Road District. The road and/or bridge project descriptions and accounting records shall be supplied to the County Auditor, at no charge, on a quarterly basis during the period of this Agreement. The first report shall be due October 1, 2012. The Special Road District shall also provide the County Auditor any other financial records or documentation as she deems necessary to verify that the funds

disbursed by the County to Special Road District have been spent only for lawful purposes of the Special Road District.

7. **Miscellaneous.**

- a. The Special Road District agrees to pass such ordinances as may be necessary to implement the terms and conditions of this IGA.
- b. This Agreement sets forth the entire agreement between the parties and fully supersedes any and all prior and/or other contemporaneous agreements or understandings between the parties which pertain to the subject matter hereof.

INTERGOVERNMENTAL AGREEMENT

23rd THIS INTERGOVERNMENTAL AGREEMENT ("IGA"), made and entered into this day of July, 2012, by and between the CHRISTIAN COUNTY, MISSOURI, a second class county of the State of Missouri, acting by and through its County Commission (hereinafter referred to as "County") and the SOUTH SPARTA SPECIAL ROAD DISTRICT, a special road district organized pursuant to Missouri Revised Statutes, Section 233.170 (hereinafter referred to as "Special Road District"), for the purpose of the improvement and maintenance of the County's network of roads.

WITNESSETH:

WHEREAS, Article VI, Section 16 of the Missouri Constitution and Missouri Revised Statute Section 70.220, authorize any municipality, special road district, or county to contract and cooperate with other political subdivisions of this state for the planning, development, construction, acquisition or operation of any public improvement or facility or common service and this IGA represents an excellent opportunity for the County and [Special Road District] to work cooperatively for the common good of improving the network of roads in Christian County to facilitate economic activity, public safety, emergency response and the quality of life of their citizens; and

WHEREAS, it would be to the benefit of cities and special road districts in Christian County for the County to distribute a portion of the County's general revenue sales taxes and the countywide sales tax earmarked for road and bridge improvements and maintenance in accordance with the funding formula set forth in the County Commission's Order of June 25, 2012; and

WHEREAS, Special Road District has agreed that it will utilize the sales tax revenues distributed to it by the County for the exclusive purpose of constructing and maintaining those roads and bridges within its jurisdiction.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein set forth, the County and Special Road District agree as follows:

1. The County agrees to distribute to the Special Road District on a monthly basis, a portion of the countywide general sales tax adopted in 1996 and the countywide sales tax earmarked for road and bridge improvements, maintenance, and operations adopted in 1997 that the County receives, in accordance with the percentage attributable to said Special Road District as described in the County Commission's Order dated June 25, 2012, a copy of which is attached hereto as **Exhibit A** and incorporated herein.
2. **Term.** This Agreement shall commence on the date of execution by authorized officials for the County and the Special Road District and will continue in effect until the County Commission establishes its 2013 budget in January of 2013.

3. **Use of County Revenue.** The Special Road District agrees to expend all sales tax revenues received from the County pursuant to this Agreement exclusively for the costs of labor and materials expended on the construction or maintenance of roads and/or bridges in the Special Road District's jurisdiction.
4. **Indemnification.** To the extent allowed or imposed by law, Special Road District shall defend, indemnify and hold harmless the County, including its elected officials and employees from and any claim, liabilities, damages, causes of action, judgments, costs and expenses, whether based on claim for damages to real or personal property or to a person for any matter relating to or arising out of the Special Road District's wrongful or negligence performance of its obligations under this Agreement.

In no event shall the language of this Agreement constitute or be construed as a waiver or limitation of either party's rights or defenses with regard to each party's applicable sovereign, governmental or official immunities and protections as provided by federal and states constitutional law.

5. **General Independent Contractor Clause.** The County and the Special Road District who are parties to this Agreement are each separate and independent political subdivisions of the state and, as such, the County and the Special Road District each retain their own identity and each is responsible for its own policies and activities. This Agreement shall not be construed as creating a joint venture between the County or the Special Road District.
6. **Accounting and Access to Records.** The Special Road District shall provide written documentation to the County identifying the specific roads or bridges county sales taxes received pursuant to this Agreement were expended upon and shall maintain all records relating to the receipts and expenditures of County sales taxes by Special Road District pursuant to this Agreement, including, but not limited to, invoices, receipts, payrolls, bank statements, contract documentation and other records, sufficient to verify the County sales tax proceeds were expended by the Special Road District exclusively for road and bridge improvements, maintenance, or operations within the Special Road District's jurisdiction. The road and/or bridge project descriptions and accounting records shall be supplied to the County Auditor, at no charge, on a quarterly basis during the period of this Agreement. The first report shall be due October 1, 2012. The Special Road District shall also provide the County Auditor any other financial records or documentation as she deems necessary to verify that the funds disbursed by the County to Special Road District have been spent exclusively for road and bridge improvements or maintenance.

7. **Miscellaneous.**

- a. The Special Road District agrees to pass such ordinances as may be necessary to implement the terms and conditions of this IGA.

INTERGOVERNMENTAL AGREEMENT

23rd THIS INTERGOVERNMENTAL AGREEMENT ("IGA"), made and entered into this day of July, 2012, by and between the CHRISTIAN COUNTY, MISSOURI, a second class county of the State of Missouri, acting by and through its County Commission (hereinafter referred to as "County") and the GARRISON SPECIAL ROAD DISTRICT, a special road district organized pursuant to Missouri Revised Statutes, Section 233.170 (hereinafter referred to as "Special Road District"), for the purpose of the improvement and maintenance of the County's network of roads.

WITNESSETH:

WHEREAS, Article VI, Section 16 of the Missouri Constitution and Missouri Revised Statute Section 70.220, authorize any municipality, special road district, or county to contract and cooperate with other political subdivisions of this state for the planning, development, construction, acquisition or operation of any public improvement or facility or common service and this IGA represents an excellent opportunity for the County and [Special Road District] to work cooperatively for the common good of improving the network of roads in Christian County to facilitate economic activity, public safety, emergency response and the quality of life of their citizens; and

WHEREAS, it would be to the benefit of cities and special road districts in Christian County for the County to distribute a portion of the County's general revenue sales taxes and the countywide sales tax earmarked for road and bridge improvements and maintenance in accordance with the funding formula set forth in the County Commission's Order of June 25, 2012; and

WHEREAS, Special Road District has agreed that it will utilize the sales tax revenues distributed to it by the County for the exclusive purpose of constructing and maintaining those roads and bridges within its jurisdiction.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein set forth, the County and Special Road District agree as follows:

1. The County agrees to distribute to the Special Road District on a monthly basis, a portion of the countywide general sales tax adopted in 1996 and the countywide sales tax earmarked for road and bridge improvements, maintenance, and operations adopted in 1997 that the County receives, in accordance with the percentage attributable to said Special Road District as described in the County Commission's Order dated June 25, 2012, a copy of which is attached hereto as **Exhibit A** and incorporated herein.

3. **Use of County Revenue.** The Special Road District agrees to expend all sales tax revenues received from the County pursuant to this Agreement exclusively for the costs of labor and materials expended on the construction or maintenance of roads and/or bridges in the Special Road District's jurisdiction.
4. **Indemnification.** To the extent allowed or imposed by law, Special Road District shall defend, indemnify and hold harmless the County, including its elected officials and employees from and any claim, liabilities, damages, causes of action, judgments, costs and expenses, whether based on claim for damages to real or personal property or to a person for any matter relating to or arising out of the Special Road District's wrongful or negligence performance of its obligations under this Agreement.

In no event shall the language of this Agreement constitute or be construed as a waiver or limitation of either party's rights or defenses with regard to each party's applicable sovereign, governmental or official immunities and protections as provided by federal and states constitutional law.

5. **General Independent Contractor Clause.** The County and the Special Road District who are parties to this Agreement are each separate and independent political subdivisions of the state and, as such, the County and the Special Road District each retain their own identity and each is responsible for its own policies and activities. This Agreement shall not be construed as creating a joint venture between the County or the Special Road District.
6. **Accounting and Access to Records.** The Special Road District shall provide written documentation to the County identifying the specific roads or bridges county sales taxes received pursuant to this Agreement were expended upon and shall maintain all records relating to the receipts and expenditures of County sales taxes by Special Road District pursuant to this Agreement, including, but not limited to, invoices, receipts, payrolls, bank statements, contract documentation and other records, sufficient to verify the County sales tax proceeds were expended by the Special Road District exclusively for road and bridge improvements, maintenance, or operations within the Special Road District's jurisdiction. The road and/or bridge project descriptions and accounting records shall be supplied to the County Auditor, at no charge, on a quarterly basis during the period of this Agreement. The first report shall be due October 1, 2012. The Special Road District shall also provide the County Auditor any other financial records or documentation as she deems necessary to verify that the funds disbursed by the County to Special Road District have been spent exclusively for road and bridge improvements or maintenance.

IN WITNESS WHEREOF, Christian County, Missouri, acting through its County Commission, and the Garrison Special Road District have caused this IGA to be duly executed by their proper officers, duly authorized by their respective Commission or Board, as of the day and year first written above, and hereby further agree that this IGA shall be binding upon the parties hereto, their respective representatives, successors and assigns.

INTERGOVERNMENTAL AGREEMENT

26th THIS INTERGOVERNMENTAL AGREEMENT ("IGA"), made and entered into this day of August, 2012, by and between the CHRISTIAN COUNTY, MISSOURI, a second class county of the State of Missouri, acting by and through its County Commission (hereinafter referred to as "County") and the CITY OF SPARTA, a municipal corporation of the State of Missouri (hereinafter referred to as "City"), for the purpose of promoting the improvement and maintenance of the County's network of roads.

WITNESSETH:

WHEREAS, Article VI, Section 16 of the Missouri Constitution and Missouri Revised Statute Section 70.220, authorize any municipality, special road district, or county to contract and cooperate with other political subdivisions of this state for the planning, development, construction, acquisition or operation of any public improvement or facility or common service and this IGA represents an excellent opportunity for the County and the City to work cooperatively for the common good of improving the network of roads in Christian County to facilitate economic activity, public safety, emergency response and the quality of life of their citizens; and

WHEREAS, it would be to the benefit of cities and special road districts in Christian County for the County to distribute a portion of the County's general revenue sales taxes and the countywide sales tax earmarked for road and bridge improvements and maintenance in accordance with the funding formula set forth in the County Commission's Order of June 25, 2012; and

WHEREAS, the City has agreed that it will utilize the sales tax revenues distributed to it by the County for the exclusive purpose of constructing and maintaining those roads and bridges within its jurisdiction.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein set forth, the County and the City agree as follows:

1. The County agrees to distribute to the City, on a monthly basis, a portion of the countywide general sales tax adopted in 1996 and the countywide sales tax earmarked for road and bridge improvements, maintenance, and operations adopted in 1997 that the County receives, in accordance with the percentage attributable to said City as described in the County Commission's Order dated June 25, 2012, a copy of which is attached hereto as **Exhibit A** and incorporated herein.
2. **Term.** This Agreement shall commence on the date of execution by authorized officials for the County and the City and will continue in effect until the County Commission establishes its 2013 budget in January of 2013.

3. **Use of County Revenue.** The City agrees to expend all sales tax revenues received from the County pursuant to this Agreement exclusively for the costs of labor and materials expended on the construction or maintenance of roads and/or bridges in the City's jurisdiction.

4. **Indemnification.** To the extent allowed or imposed by law, the City shall defend, indemnify and hold harmless the County, including its elected officials and employees from and any claim, liabilities, damages, causes of action, judgments, costs and expenses, whether based on claim for damages to real or personal property or to a person for any matter relating to or arising out of the City's wrongful or negligence performance of its obligations under this Agreement.

In no event shall the language of this Agreement constitute or be construed as a waiver or limitation of either party's rights or defenses with regard to each party's applicable sovereign, governmental or official immunities and protections as provided by federal and states constitutional law.

5. **General Independent Contractor Clause.** The County and the City who are parties to this Agreement are each separate and independent political subdivisions of the state and, as such, the County and the City each retain their own identity and each is responsible for its own policies and activities. This Agreement shall not be construed as creating a joint venture between the County or the City.

6. **Accounting and Access to Records.** The City shall provide written documentation to the County identifying the specific roads or bridges county sales taxes received pursuant to this Agreement were expended upon and shall maintain all records relating to the receipts and expenditures of County sales taxes by the City pursuant to this Agreement, including, but not limited to, invoices, receipts, payrolls, bank statements, contract documentation and other records, sufficient to verify the County sales tax proceeds were expended by the City exclusively for road and bridge improvements, maintenance, or operations within the City's jurisdiction. The road and/or bridge project descriptions and accounting records shall be supplied to the County Auditor, at no charge, on a quarterly basis during the period of this Agreement. The first report shall be due October 1, 2012. The City shall also provide the County Auditor any other financial records or documentation as she deems necessary to verify that the funds disbursed by the County to the City have been spent exclusively for road and bridge improvements or maintenance.

7. **Miscellaneous.**

a. The City agrees to pass such ordinances as may be necessary to implement the terms and conditions of this IGA.

b. This Agreement sets forth the entire agreement between the parties and fully supersedes any and all prior and/or other contemporaneous

agreements or understandings between the parties which pertain to the subject matter hereof.

- c. This Agreement may only be modified by a written instrument executed by the parties hereto.
 - d. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document.
8. **Notices.** All notices, demands, and approvals required under this Agreement may be personally delivered or sent by certified mail, postage prepaid, return receipt requested, addressed to the individuals identified in the heading of this IGA, or to their successors, at the addresses listed below:

INTERGOVERNMENTAL AGREEMENT

THIS INTERGOVERNMENTAL AGREEMENT ("IGA"), made and entered into this 30th day of August, 2012, by and between the CHRISTIAN COUNTY, MISSOURI, a second class county of the state of Missouri, acting by and through its County Commission (hereinafter referred to as "County") and the Selmore Special Road District, a special road district organized pursuant to Missouri Revised Statutes, Section 233.170 (hereinafter referred to as "Special Road District"), for the purpose of the improvement and maintenance of the County's network of roads.

WITNESSETH:

WHEREAS, Article VI, Section 16 of the Missouri Constitution and Missouri Statute Section 70.220, authorize any municipality, special road district, or county to contract and cooperate with other political subdivisions of this state for the planning, development, construction, acquisition or operation of any public improvement or facility or common service and this IGA represents an excellent opportunity for the County and Special Road District to work cooperatively for the common good of improving the network of roads in Christian County to facilitate economic activity, public safety, emergency response and the quality of life of their citizens; and

WHEREAS, it would be to the benefit of cities and special road districts in Christian County for the County to distribute a portion of the County's general revenue sales taxes and the countywide sales tax earmarked for road and bridge improvements and maintenance in accordance with the funding formula set forth in the County Commission's Order of June 25, 2012; and

WHEREAS, Special Road District has agreed that it will utilize the sales tax revenues distributed to it by the County for the exclusive purpose of constructing and maintaining those roads and bridges within its jurisdiction.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein set forth, the County and Special Road District agree as follows:

1. The county agrees to distribute to the Special Road District on a monthly basis, a portion of the countywide general sales tax adopted in 1996 and the countywide sales tax earmarked for road and bridge improvements, maintenance, and operations adopted in 1997 that the County receives, in accordance with the percentage attributable to said Special Road District as described in the County Commission's Order dated June 25, 2012, a copy of which is attached hereto as Exhibit A and incorporated herein.
2. Term. This Agreement shall commence on the date of execution by authorized officials for the County and the Special Road District and will

continue in effect until the County Commission establishes its 2013 budget in January of 2013.

3. **Use of County Revenues.** The Special Road District agrees to expend all sales tax revenues received from the County pursuant to this Agreement upon all lawful purposes of the Special Road District.
4. **Indemnification.** To the extent allowed or imposed by law, Special road District shall defend, indemnify and hold harmless the County, including its elected officials and employees from and any claim, liabilities, damages, causes of action, judgments, costs and expenses, whether based on claim for damages to, real or personal property or to a person for any matter relating to or arising out of the Special Road District's wrongful conduct or negligence performance or its obligations under this Agreement.

To the extent allowed or imposed by law, County shall defend, indemnify and hold harmless the Special Road District, including its elected officials and employees from and any claim, liabilities, damages, causes of action, judgments, costs and expenses, whether based on claim for damages to, real or personal property or to a person for any matter relating to or arising out of the County's wrongful conduct or negligence performance or its obligations under this Agreement.

In no event shall the language of this Agreement constitute or be construed as a waiver or limitation of either party's rights or defenses with regard to each party's applicable sovereign, governmental or official immunities and protections as provided by federal and states constitutional law.

5. **General Independent Contractor Clause.** The County and the Special Road District who are parties to this Agreement are each separate and independent political subdivisions of the state and, as such, the County and the Special Road District each retain their own identify and each is responsible for its own policies and activities. This Agreement shall not be construed as creating a joint venture between the County and the Special Road District.
6. **Accounting and Access to Records.** The Special Road District shall provide written documentation to the County identifying the specific roads or bridges county sales taxes received pursuant to this Agreement were expended upon and shall maintain all records relating to the receipts and expenditures of County sales taxes by Special Road District pursuant to this Agreement, including, but not limited to, invoices, receipts, payrolls, bank statements, contract documentation and other records, sufficient to verify

the County sales tax proceeds were expended by the Special Road District only for lawful purposes of the Special Road District. The road and/or bridge project descriptions and accounting records shall be supplied to the County Auditor, at no charge, on a quarterly basis during the period of this Agreement. The first report shall be due October 1, 2012. The Special Road District shall also provide the County Auditor any other financial records or documentation as she deems necessary to verify that the funds disbursed by the County to Special Road District have been spent only for lawful purposes of the Special Road District.

7. Miscellaneous.

- a. The Special Road District agrees to pass such ordinances as may be necessary to implement the terms and conditions of this IGA.
- b. This Agreement sets forth the entire agreement between the parties and fully supersedes any and all prior and/or other contemporaneous agreements or understandings between the parties which pertain to this subject matter hereof.
