Mr. Christopher Hatley  
6001 North 8<sup>th</sup> Avenue  
Ozark, MO. 65721

Dear Mr. Hatley,

We accepted your filing in error for Associate Division II Judge as an Independent Candidate. I contacted the Secretary of State Office and the following are established political parties in the State of Missouri: Democratic, Republican, Libertarian and the Constitution Parties. The Declaration of Candidacy that was filed in my office is invalid because no filing fee was paid per Missouri Revised Statute 115.357.7. The Secretary of State website has information if you would like to run as an Independent candidate for judge in November.

Sincerely,

*Kay Brown*
