### Circuit and Prosecuting Attorneys and County Counselors Section 56.363

August 28, 2005

#### **Full-time prosecutor, ballot--effective date--continuing education requirement, duty to provide to peace officers--may qualify for retirement benefits, when.**

56.363. 1. The county commission of any county may on its own motion and shall upon the petition of ten percent of the total number of people who voted in the previous general election in the county submit to the voters at a general or special election the proposition of making the county prosecutor a full-time position. The commission shall cause notice of the election to be published in a newspaper published within the county, or if no newspaper is published within the county, in a newspaper published in an adjoining county, for three weeks consecutively, the last insertion of which shall be at least ten days and not more than thirty days before the day of the election, and by posting printed notices thereof at three of the most public places in each township in the county. The proposition shall be put before the voters substantially in the following form:

Shall the office of prosecuting attorney be made a full-time position in ..... County?

â ã Yes â ã No

If a majority of the voters voting on the proposition vote in favor of making the county prosecutor a full-time position, it shall become effective upon the date that the prosecutor who is elected at the next election subsequent to the passage of such proposal is sworn into office.

2. The provisions of subsection 1 of this section notwithstanding, in any county where the proposition of making the county prosecutor a full-time position was submitted to the voters at a general election in 1998 and where a majority of the voters voting on the proposition voted in favor of making the county prosecutor a full-time position, the proposition shall become effective on May 1, 1999. Any prosecuting attorney whose position becomes full time on May 1, 1999, under the provisions of this subsection shall have the additional duty of providing not less than three hours of continuing education to peace officers in the county served by the prosecuting attorney in each year of the term beginning January 1, 1999.

3. In counties that, prior to August 28, 2001, have elected pursuant to this section to make the position of prosecuting attorney a full-time position, the county commission may at any time elect to have that position also qualify for the retirement benefit available for a full-time prosecutor of a county of the first classification. Such election shall be made by a majority vote of the county commission and once made shall be irrevocable. When such an election is made, the results shall be transmitted to the Missouri prosecuting attorneys and circuit attorneys' retirement system fund, and the election shall be effective on the first day of January following such election. Such election shall also obligate the county to pay into the Missouri prosecuting attorneys and circuit attorneys' system retirement fund the same retirement contributions for full-time prosecutors as are paid by counties of the first classification.
