October 14, 2020

Dear Caring Citizen,

We are in process of scheduling Election Judges for the November 3, 2020 Election. Fortunately, there have been many citizens that have requested to serve as judges for this election.

For those that have served in the past as Election Judges they are chosen first. However, due to COVID many judges have declined to work this election due to health reasons. For this reason, we need more citizens to participate as workers in this election in Christian County.

We always have at least 20 alternates that are ready Tuesday morning should we have an election judge that is sick and cannot work that day. We also need help with wiping down pens, tables and administering sanitizer. It is anticipated this election will break all records for voting.

If you did not receive a list of Election Judges with the name of the polling location you will be serving at, don't dismay. We maybe calling you to work the polls in the days ahead as the Election Judges call in to confirm if they will be working on Election Day.

I am so grateful that you volunteered to help on Election Day. After these big elections, many of my senior judges will often retire, leaving an opening to be filled. My request is to be ready Tuesday November 3, 2020 at 5:00 if we have to call on you to serve at the last minute.

Thank you so much for your willingness to serve Christian County and our country!

Very Sincerely,

Kay Brown, Christian County Clerk
