Christian County Jail A. Rod via  
Bio Hazard clean up in Shower Shoes

10:45 PM

On July 8<sup>th</sup> at lockdown we reported to staff that our toilet over flowed. As we had reported a couple days earlier that had been happening. My buddy Jackson Boyle had been given a sanction for using toilet in other cells, which is the regular at overcrowding anyway (and should be expected when a cell's toilet is occasionally overflowing) (He was given 15 day lock for using another cell's toilet).

at this time we have been waiting for staff to bring us clean clothes towels ect. after earlier having been given plunger and mop to clean up sewer in our cell in shower shoes and bare feet. It is now 1:00 AM and we still await clean clothes and product to clean ourselves after washing in faucets in attempt to clean up.

There is no reason we should not be priority to clean ourselves up especially when the guards won't go in cell with shoes

②

Unsanitary and a Health hazard even when I asked for Rubber boots to continue cleaning, upon exiting after trying to keep it from spreading to inmates in the day room <sup>now</sup> ~~not~~ was asked to return back in the cell to retrieve a disinfectant bottle that is/was empty.

Even in an attempt to help contain the spread of swine we have not been given the decency of any way to clean ourselves or clean clothes. everyone in this pod on July 5th in Christian County it is witness to this and should not be happening, also witness to the toilet stepping up on many previous occasions.

Staff and medical staff alike knowing that swine is a hazard and should be handled as such. officer Schadisky (SM) was notifying a higher up (Capt, Capt Shift) where I did not know but at his time we are being made to lay in clothes and wet feet of swine

3

Immediately upon shift change I notified officer [redacted] on 7/7/12, 2100. What had previously happened and asked for clean clothes towels and blankets as can be seen if we are laying on floor in day room wet from sewer. We blankets wet and still yet we are left laying here without concern by any Staff (Cia, Litter, Cop, or Sheriff) this is so far off the chart of what right I don't know how to explain it.

I am laying with only a sheet as blankets are soaked wet and it is very cold.

Why is no one even giving the decency of allowing us clean shoes and clothes/blankets I have asked and continue to ask. All staff coming through on their checks I am told everytime they will check or they will do/get for us.

This is not how a person should be treated by anyone any where. asking to talk to Lt. / Captain / Sheriff I am told that not how it works

(SAVE)

16 OCT 2011 10:34 AM

Legal Documentation  
of Biohazard

Day officer <sup>Bishop</sup> just asked me to use gloves and put blankets sheets clothes in trash bags so it could all be put in Bio Hazard Trash I Refused

For obvious reasons Biohazard that I was soaked in and now they throwing clothes in trash ~~to~~ that I was forced to wear all night long. Time 10:34 AM Told me Corporal Snow wanted me to fill out informal res to staff I refused saying this is of criminal legal measures not internal <sup>informal</sup> resolutions.

~~the~~ I have told every officer since this incident that I wanted to go to be checked out for any infectious or diseases from being exposed to Biohazard material and I have been and am being ignored.

I have asked for audience with ~~Corporal Snow~~ Sergeant ~~best~~ ~~Glick~~ and the ~~chorus~~ as follows: ~~to do~~

5:45  
or

6:00 Am Staff comes through (for count I tell her that we have been on the floor for hours now wet from sewage and cold No heater blanket made to sleep with just sheet on on floor all night.

The Co that reported issue at 10:45 lock down told me they short handed and he had to take in prisoner to Hospital that was more important than us laying in sewage wet clothes and that why we had to wait till approx 6:00 Am I have been given clean clothes Boyle has not he still waiting to get cleaned up personally.

I have asked to speak to Lieutenant Seargent, Sheriff, Judge. So far Dick being ignored just like all night asking for clothes so we could clean up after hazardous waste, and that <sup>wed</sup> be gotten fresh blankets sheets beds to sleep on once we were cleaned up. Lies.

Now 9:20 Am still no blankets No mat cold to the bone from sleeping on floor. still No Levitt, Cap Sheriff of Judge that I asked State to speak to. This has got to stop.

17

<sup>Thurs</sup>  
 7/18/16 also there is No Congestion in chest  
 and throat doesn't appear to be Red  
 often for maybe Allergy type agitation.  
 Medical Staff is lying to me on  
 Regular basis. Proof  
 After being told all sounds & looked  
 good I was given Medicines 2 times.  
 I have taken the meds only so it will  
 be documented and all they have told  
 me will be proof of lies.  
 Noon today Med pass I was given  
 once again Meds Mucinex for Congestion  
 that I was told earlier I did not  
 have. And I was told the Doctor  
 would see me on wednesday after  
 having been put off this long over  
 a biohazard incident is Unheard  
 of it requires immediate Attention  
 not 10 day delays

<sup>Wed</sup>  
 7/20/16 Today I was taken to see doctor for  
 obvious stuff on body but was told that  
 anything I may have contracted from a biohazard  
 spill (in this case raw sewage) would take more the  
 thirty (30) days to show itself, meaning that  
 the antibiotic I was/am being given is  
 an antibiotic "Specifically" for sewage  
 spills and contact with sewage.  
 I asked for Release to get out of this place.

6.

my requests are being ignored as I suspected would be, this is not being taken serious by staff. They joke about it making light of this all while once again the clothes and bedding that I was made to sleep in were put in Bio Hazard trash and thrown away destroyed.

every day since this incident I have asked to speak to someone in charge ie legit, capt, sergeant, Sheriff Dept Sheriff.

7/12/16

all of my requests have been ignored This is beyond Normal or Legal. I will continue making Requests until I am Released when I will File Criminal charges against T.H.B. Jail, Sheriff and staff.

~~7/17/16~~

Request to speak to Nurse, seen nurse she was unaware that I was made <sup>to</sup> sleep in Bio Hazardous clothes all night long.

7/18/16

Spoke to another nurse today I was informed that (though I've been sick for several days) No Fever Temp was 98.6, <sup>Sat</sup> O2 unknown would not tell me, and BP was 126/98 when the numbers I see were 186/98 which would be closer

(5)

US 17/20/16

My requests for medical attention are being ignored. However it is moving its way up and the doctor just as the rest of the staff are passifying me starting around the seriousness of health issues in this situation, my life & health hangs in the balance with these peoples decisions and not allowing me to be checked out by professional medical staff.

as I have pointed out I am being lied to on many occasions and it continues. Antibiotics were to begin today for infections caused by raw sewage but are not in yet when after all this time I should have already been on them. but once again made to wait. A Level 2 grievance sent back and signed by Captain. See copies. it is answered. "This has been handled". and I quote.

1/21/16

I was told by the nurse that I am on a antibiotic called Levaquin the doctor told me it was for Sewage type infections after telling me there wouldnt be any sign of infection for 30 days or so but is giving me an antibiotic for biohazard spills such as waste. ?? hum

? continued  
7/21/16 I have told the nurse at Med.  
Call or pid pass that my arm is swollen  
and is as can be seen obviously infected.  
with what can only be staff infection.  
By the looks of it.

7/22/16 given new bandage for elbow  
nobody has checked it I have told  
the nurses and officers of the pain  
I'm in and my arm is throbbing.  
Today is second day on antibiotic  
and no change in infected area.  
it is reaching dangerously swollen  
and if it gets worse could become  
sepsis blood poisoning.

1:00 AM spoke to Pod officer told her  
my arm hurting & ~~the~~ swollen discharge  
is green in color <sup>she</sup> was going to  
tell someone else of my problem  
and get back to me.  
The infection is getting to the point  
that its causing unbearable pain.  
Something has to be done.

3:00 AM arm throbbing still and officer  
tells me can do nothing until next  
Nurse comes in also informed  
me that she notified Sgt on/about  
my arm and he/she said nothing we  
can do. This is not a bruise or broke  
and not being treated so  
this is an infection.

# 7.24/16 Starting to feel body soreness all  
over deep in joints, Not normal for  
me. I will ask again to be taken to  
Hospital to have blood tested.  
I have been being harassed by  
staff on a regular basis in this  
fall by all the staff on several occasions  
for no reason. even at my girlfriend's  
house outside of this county jail.  
This is no cause for this and  
any action I make to get letters  
out they are denied.  
What all this stems from is as far  
as I can tell. Brad Cole.

spoke to nurse and she seems to think she / they can play this off as a bite or so it seems if I didnt catch something from this bio hazard incident why am I being given antibiotics for anything. The proper people are brushing this off when they should be helping me. These types of infections are treated a certain / specific way because of damage they can cause to a body / person.

I've expressed how painful it is and I'm told to "grow up" from Medical staff Head Nurse.

When I see Med staff tonight I'm going to tell them that this will not be lanced open and drained or infection will not go away and it is very painful.

at 8:40 to my my level 3 to the Sheriff has been denied. Denying me for medical treatment.

7/26/16

Even with antibiotic small sores keep coming up all over my body that won't heal. I'd want to take me to get own lanced & packed with gauze.
