QUESTION #1

Shall Ozark R-VI School District issue its general obligation bonds in the amount of \$19,000,000 for the purpose of acquiring, constructing, improving, repairing, renovating, furnishing and equipping school sites and facilities, including constructing storm shelters at the Early Childhood Center, Middle School and High School and, to the extent funds are available, completing capital improvements consistent with the District's Long Range Plan?

If this question is approved, the District's debt service property tax levy is estimated to remain unchanged at \$1.0547 per \$100 of assessed valuation of real and personal property.

- YES
- NO

QUESTION #2

Shall the Board of Education of Ozark R-VI School District be authorized to increase the operating tax levy ceiling to \$3.1853 per \$100 of assessed valuation according to the 2022 assessment for operating expenses and funding capital projects of the District, including maintaining competitive compensation for employees to attract and retain qualified faculty and staff?

QUESTION #1

Shall Ozark R-VI School District issue its general obligation bonds in the amount of \$19,000,000 for the purpose of acquiring, constructing, improving, repairing, renovating, furnishing and equipping school sites and facilities, including constructing storm shelters at the Early Childhood Center, Middle School and High School and, to the extent funds are available, completing capital improvements consistent with the District's Long Range Plan?

If this question is approved, the District's debt service property tax levy is estimated to remain unchanged at \$1.0547 per \$100 of assessed valuation of real and personal property.

YES
 NO

QUESTION #2

Shall the Board of Education of Ozark R-VI School District be authorized to increase the operating tax levy ceiling to \$3.1853 per \$100 of assessed valuation according to the 2022 assessment for operating expenses and funding capital projects of the District, including maintaining competitive compensation for employees to attract and retain qualified faculty and staff?

If this question is approved, the operating tax levy of the District is estimated to increase by \$0.10 from \$3.0853 to \$3.1853 per \$100 of assessed valuation, and the District expects to make a corresponding reduction to its debt service tax levy of \$0.10 resulting in no tax rate increase where the estimated overall tax levy of the District remains unchanged at \$4.1400 per \$100 of assessed valuation.
